Subject: Request for Manual Review - SAM.gov Registration Resubmitted (Ref: CS2439900)

Dear DLA Team,

I have officially resubmitted our SAM.gov registration for INTAEROBASE (UEI: RKCQQ94X66D5), putting it into "Submitted" status.

Per your instructions in case CS2439900, please perform the manual review from the CAGE department to ensure the incoming data aligns perfectly with our active NATO NSPA master record (NCAGE: STLX0).

Thank you,

Hafiz Faisal Farooq
