I have completely filled out the fresh registration draft for Intaerobase (UEI: RKCQ94X6605). The Division Name workaround has been performed exactly as requested, and the profile is now sitting as a completed draft on the Review & Submit summary page. I have clicked SAVE & EXIT and have NOT clicked final submit. The new fresh draft is ready for your manual address alignment on the backend. Thank you!

It doesn't look like it is corrected yet. I will need you to delete the work in progress and try the steps again, then let me know before you submit.

Manual Alignment Required: UEI RKCQ94X66D5 - Address Truncation/Mismatch

Please describe your issue
My entity 'Intaerobase' is experiencing automated validation failures due to address truncation in the SAM.gov backend. My official NSPA/NCAGE "STLX0" record requires this address:
SUITE NO. 3, GULSHAN-E-DASTAGIR ZC-9, BLOCK-7, GULSHAN-E-IQBAL, KARACHI, PAKISTAN

The system is currently truncating this information, causing an automated mismatch. Please manually align my SAM.gov entity record with the NSPA data provided in the link
<https://eportal.nspa.nato.int/Codification/CageTool/cag-e-view/STLX0> so that I can proceed with 'I recognize my entity' and finalize my registration." I am following up on my previous correspondence regarding Entity Validation for 'Intaerobase'. My registration is currently in 'Work in Progress' status due to address truncation errors.

To resolve this, I am requesting that you finalize the creation please ensure that this record includes the full, un-truncated address as follows:

Entity Name: Intaerobase

Address: SUITE NO. 3, GULSHAN-E-DASTAGIR ZC-9, BLOCK-7, GULSHAN-E-IQBAL

City: Karachi

State/Province/Canton (only if applicable)
SINDH

Postal Code
75300

Country: PAKISTAN

Once this record is created/aligned, please provide me with the confirmation so I can search for it in SAM.gov.

Attachments

successfully performed the "system refresh" workaround using the Division Name field. My profile on SAM.gov now shows that all sections are "Complete," and I have stopped on the "Review & Submit" page without clicking the final submission button.

I have securely attached our completed International Entity Administrator Appointment Letter. It is officially printed on Sindh Government Rs. 200 Stamp Paper, physically signed by me, and completely executed by the Notary Public with active international law attestation seals.

Please review the attached document and manually align our SAM.gov record with our NSPA/NCAGE "STLX0" address so that we can safely finalize this registration.

Thank you,
Hafiz Faisal Farooq
Owner, Intaerobase
