This is an official message sent on behalf of the U.S. General Services Administration's Federal Service Desk (FSD) which provides free help for SAM.gov, FPDS.gov, and eSRS.gov.

Your Incident Has Been Marked as Resolved

Hello admin@intaerobase.com,

Your incident **INC-GSAFSD21112377** has been marked as resolved for the following reason(s):

Resolution notes: Informed the user that the previous agent had responded back to their inquiry.

This was from the other agent from INC-GSAFSD21105627.

"Thank you! It is showing the correct information now. You can submit the registration now. Once you submit the registration, it is sent for complete external validations. External validations with the IRS and CAGE take 10-15 business days to process fully".

Attached KB0057690.

You can view the incident details or reopen it using the link below:
