Subject: Formal Grievance: Arbitrary Suspension of Activation for Account [0112-0114967852] – Intaerobase.com

Dear Sir/Madam,

I, Hafiz Faisal Farooq is writing to formally report a case of administrative negligence and unprofessional conduct at the **Disco Bakery Branch**, specifically involving the Branch Manager, **Mr. Mairaj and Ms. Farseen**.

1. Statement of Facts:

- **Account Issuance:** My business account for **Intaerobase** was successfully processed, and an official **Account Number [0112-0114967852]** was issued.
- **Issuance of Instruments:** The bank has already issued my **Cheque Book**, which is currently lying at the branch.
- **Compliance Provided:** On [Thu, 14 May 2026 12:19:39 AM +0500], I submitted a comprehensive Business Justification via my official email (admin@intaerobase.com) to **Ms. Farseen**, as per her instructions that headoffice requested without any formal email on my mobile with voice messaged.

2. The Grievance: On May 14, 2026, in the absence of Ms. Farseen, I personally informed the Branch Manager, **Mr. Mairaj**, of the submitted documentation. Despite the fact that the bank has already committed to the relationship by issuing an account number and cheque book, Mr. Mairaj adopted an unsupportive and dismissive stance, threatening to close the account rather than reviewing the evidence provided and will be reviewed on return of Ms. Farseen from annual leave.

3. Legal & Regulatory Points:

- **Contradictory Action:** Issuing a cheque book and account number implies that the bank has accepted the risk profile. Arbitrarily halting activation thereafter without reviewing provided documentation is a "Bad Faith" banking practice.
- **Non-Facilitation to Online Webbased Service Providing company :** This conduct is in direct violation of the **SBP's Ease of Doing Business**.

4. Final Demand: I request that the Head Office immediately:

1. **Locate and Review** the justification email sent to Ms. Farseen already attached the email copy.

2. **Authorize the immediate activation** of the account so that I may collect my cheque book and commence business operations.

3. **Halt any unauthorized account closure** proceedings initiated by the branch.

I am a tax-paying entrepreneur and a registered filer. If this matter is not resolved by the next business day, I will escalate this as a formal "Conduct Breach" to the **Banking Mohtasib (Ombudsman)** and the **SBP Sunwai Portal**.

Regards,
