Dear Hafiz Faisal Farooq,

You successfully submitted the entity registration for Intaerobase / RKCQQ94X66D5 in the U.S. federal government's System for Award Management (SAM). This registration record will remain in Submitted status until all external validations are complete.

What happens next?

1. If you provided a Taxpayer Identification Number (TIN), the Internal Revenue Service (IRS) will conduct a validation of your TIN and Taxpayer Name. This step can take two business days. You will get an email from SAM.gov when that review is complete.
2. Your registration will then be sent to the Defense Logistics Agency (DLA) Commercial and Government Entity (CAGE) Code system for assignment or validation of your CAGE Code. This step averages two business days, but the DLA CAGE team can take up to ten business days, or longer, in peak periods. You will get an email from SAM.gov when that review is complete.
3. If the DLA CAGE team has any questions, they will contact the individual you listed as the Government Business Point of Contact (POC) via email. The email will come from a dla.mil address. Please tell your Government Business POC to respond right away to any requests from a dla.mil email. If a timely response is not received, your registration will be returned to SAM and your registration status changed to Work in Progress. You will have to resubmit and provide the requested information to DLA CAGE to continue.
4. You will get an email from SAM.gov when your registration passes these external validations and becomes Active. Until then, use the Check Registration Status link at SAM.gov to see where your registration is in the review process.
5. If you have not previously submitted a notarized letter formally designating the Entity Administrator for your entity, you must do so now. Failure to do so within 60 days of activation may result in the registration no longer being active. NOTE: You are not required to provide a notarized letter for a federal entity registration.

Remember, this process is entirely FREE to you. It is FREE to register and maintain your registration in SAM. It is FREE to get help with your registration from the Federal Service Desk at www.fsd.gov or by telephone at 866-606-8220 (toll free) or 334-206-7828 (internationally).

In addition, if you are a small business located in the U.S. and its outlying areas, you can get FREE support from your local [APEX Accelerator](https://www.apexaccelerators.us) (formerly known as PTAC), an official resource for government contracting assistance. Go to <https://www.apexaccelerators.us> to find your closest office.

Thank you,
The System for Award Management (SAM) Administrator
