Hafiz Faisal Farooq,

We were unable to successfully process the entity registration you submitted in the System for Award Management (SAM.gov) due to a problem with the assignment or validation of your Commercial and Government Entity (CAGE) code by the Defense Logistics Agency.

Your registration status in SAM.gov has been updated from "Submitted" to "Work in Progress". DLA CAGE provided the following reason for rejection to SAM.gov: Rejected-Invalid physical address does not match NCB data..

You must review the failure reason, update the registration in SAM.gov as needed and resubmit. Your registration will not be considered active in SAM until your CAGE Code is successfully assigned or validated.

When you are ready to resubmit your SAM registration, please follow these steps:

1. Go to the [SAM.gov](https://sam.gov) website and sign in
2. In your "Workspace", select the "Entities" link
3. On the next page, locate or search for the "Work in Progress" entity you need to submit. Note: The registration status is displayed.
4. Select the action icon to the right that has three vertical dots
5. Select "Update" and complete the registration. Review every page in the registration to submit. Start at the beginning, review, or update the content as required, and select "Save" and "Continue" on each page. At the end, be sure to select "Submit". You will see a confirmation message when you successfully submit your registration.

Remember, it is free to register in SAM.gov. Get free help at [SAM.gov](https://sam.gov) in the "Help" section and at the [Federal Service Desk \(FSD\)](#) where you will find SAM.gov user guides, quick start guides, helpful hints, videos, and frequently asked questions. If you are going through entity validation at SAM.gov for the first time and have questions, visit [this list of FAQs](#).

In addition, if you are located in the U.S. and its outlying areas, you can get free support from your local [APEX Accelerator](#) (formerly known as PTAC), an official resource for government contracting assistance. Go to <https://www.apexaccelerators.us> to find your closest office.
