Commercial and Government Entity (CAGE) Code Office – System for Award Management (SAM) Registration

DO NOT REPLY TO THIS EMAIL

Good Day

Your vendor registration cannot be processed at this time and is being returned. There is a data discrepancy between your System for Award Management (SAM) information and the NATO Commercial and Government Entity (NCAGE) information.

For the SAM registration to be processed to ACTIVE the Legal Business Name and Physical Address in SAM must match the Legal Business Name and Physical Address listed at NSPA/ NATO 100 percent. Currently it does not.

DO NOT resubmit your registration until you have corrected the mismatch.

Your registration won't be processed and will be returned again if you do not correct the mismatch.

To correct the data discrepancy so the legal business/organization name and physical address match exactly, please follow the steps below:

Step 1) Proceed to NATO Support Agency (NSPA) at <https://eportal.nspa.nato.int/AC135Public/CageTool/home> to request/verify/update your NCAGE Code.

- A link is provided on the steps on how to query, register or update an NCAGE.
- NCAGE requests/updates may take up to 14 days or longer based on the NATO Codification Bureau (NCB) where company is physically located.
- Check NSPA CAGE/NCAGE Code Request to see if changes have been updated or New NCAGE is established.

Step 2) Confirm the NCB or NSPA has submitted your correct legal business name and/or physical address to the U.S. CAGE office.

- Enter your NCAGE code in the CAGE Search & Inquiry (CSI) page of the CAGE Home page found at <https://cage.dla.mil/search> and click 'Search' at the top or 'Search CAGE Codes'.
- If it is not correct in CSI and you have submitted your changes at NSPA CAGE/NCAGE Code Request, contact the DLA Customer Interaction Center (CIC) at dlacontactcenter@dla.mil and request your NCAGE to be updated in CSI by the U.S. CAGE office.

Step 3) Verify your UEI number is correct by verifying and/or correcting your company legal business name and/or physical address.

a. Click on Begin U-E-I Search/Request Process and verify the information on your UEI number information - make corrections as necessary.

Step 4) If your NCAGE information is correct in NSPA CAGE/NCAGE Code Request, CSI and SAM;

a. Log in to www.sam.gov to accept and re-submit.

b. U.S. CAGE office reviews SAM registration for validation.
