Subject: Request for Manual Review - SAM.gov Registration Resubmitted (Ref: CS2439900)

Dear DLA Team,

I have officially resubmitted our SAM.gov registration for **INTAEROBASE** (UEI: RKCQQ94X66D5), putting it into "Submitted" status.

Per your instructions in case **CS2439900**, please perform the manual review from the CAGE department to ensure the incoming data aligns perfectly with our active NATO NSPA master record (NCAGE: STLX0).

Thank you,
Hafiz Faisal Farooq
